

**Sharpsburg Merchants Association
P O Box 722
Sharpsburg GA 30277**

October 15, 2009

The Sharpsburg Merchants Association endorses Polly Garlington as mayoral candidate for Sharpsburg Georgia.

We the merchants of the Sharpsburg Merchants Association believe that Polly Garlington best represents the concerns, the wishes, and future of Sharpsburg. Polly has consistently demonstrated her civic concerns during the past several terms. Even before she was elected as a council person, she was at every town meeting to learn what was being done and to offer suggestions. She has been visible at almost every event in Sharpsburg and has authored several actions that have benefited our community.

She has, at her own time and expense, attended many classes and seminars to be better informed as an elected representative of our community. She is diligent in discovering answers to many questions which have gone unanswered in the past. Her vision for Sharpsburg is realistic and obtainable, and she will share her vision with you if you only ask!

Of course, the economic well-being of our community is of paramount concern for the merchants. Polly visits the merchants on a regular basis to learn of their concerns and frustrations during these stressful economic times. She is interested in re-vitalizing the business environment of Sharpsburg as well as enhancing the residential community.

The Sharpsburg Merchants Association wholeheartedly endorses Polly Garlington for mayor of Sharpsburg.
